

Please help Mike make wishes come true!

Mike Thurlow of Lee, a lifelong Maine logger, will run half of the Millinocket Marathon on Dec. 9, 2017, in **full logging gear** and 100 percent of all donations will go to the Make - A - Wish Maine Foundation to grant the wishes of children who have life-threatening medical conditions. If donations exceed \$1,000, **he'll carry his chainsaw as he runs.**

"I have worked 40 years supplying wood to these mills and I'm running to represent all the loggers who spent their lives in the Maine woods feeding these mills."
